Subject: Pavillion follow-up

I know Kate is putting an list together of the various 'to dos' from yesterday's meeting, which should be very helpful. Does it make sense for the three of us to get on the phone later today to debrief and discuss the critical path moving forward into next week?

Psw – enjoyed immensely spending time with both of you!

Robert M. Sussman

Senior Policy Counsel to Administrator

Office of the Administrator

U.S. Environmental Protection Agency
